Have you heard about the Lenten Disaster Used Clothing Drive?

The partnership between the Hill Country District churches & the Seventh-day Adventist Disaster Services has worked extremely well since 2015. The Texas Division of Emergency Management classes use this collection as a good example of filling the pipeline before the need. This year's collection will be **Ash Wednesday, March 6, 2019 – Friday, April 12, 2019.**

The Adventist truck will come to make the pickup as soon after that as they can schedule it. That will get the bags & piles out of our buildings for Easter.

Instructions are the same as previous years:

- ⇒ Notify the HCD Mission Team that you are participating.
- ⇒ Put out the word in your community that you're collecting used clothing for survivors of any disasters that might occur in the coming year (2019).
- ⇒ Invite other churches (Methodist or not) in your community to join in.
- ⇒ Then call George Barnette (george@bnpr.com 713-252-2288) at the end about how big your pile is (pickup load or less, U-Haul load, or bigger). **When the truck arrives, help load the clothes, & you're done.** The Adventists volunteers will sort the clothes, sanitize (a step beyond just cleaning) & package the items by size & gender. Then when the need arises, they can send their delivery truck from the warehouse within hours to provide clothes to people affected by the disaster.

Why not wait & do a drive when the disaster occurs? Because the need for used clothing last only 24-48 hours. By the time we could mount a campaign, collect the clothes & deliver them to the disaster site, we would just be adding to the trash pile.

Our job is to fulfil Jesus' guidance in Matthew to "clothe the naked."

(Matthew 25:31-46)
